1/8/23

▷ Jan. 1 - I made ~~8~~ Test ~~4~~ calls and my phone rang each time I tried the males and when I didn't answer Elwood did so everything seems to be working fine. When I called the females it went to voicemail, the first time. I reached out to Sonja K. and Barbara D. to ask if they were receiving calls before trying again. The second time Sonja received my call. I found that Barbara was not receiving my calls though and so I checked YAP on my laptop and I had not set her gender so it would not enable her. I fixed the issue and she did start receiving the calls.

* I checked the detailed reports on YAP and the only calls received since last ASC was from my number, and one call for meeting look up on Dec 12.

* I spoke to Frankie H and Linda W and they both said they ~~would~~ be willing to be on the phone line on February 12.

▷ Jan 8

I moved myself and Sonja K off the phonenumber Barbara and Elwood were set to Primary Todd and Tamara were put on as Secondary

* I called Todd and Tamara to remind them that I was placing them on the phone line.

* I spoke to Sonja K and thanked her for her service and she told me she had received a call the other day from a lady looking for a meeting.
