Active Change voted to block the Amendment made by G.O.D. because the 7th Concept states that "All members of a service body bear substantial responsibility for that body's decisions, ~~making~~ and should be allowed to fully participate in its decision making process."

~~###~~ The 7th concept doesn't give any room for Area to determine when ^{or if} a groups voice ~~###~~ should be heard.

Attached Proposal

Take Back to Area Suggestions for "Physical Altercations"

* 1st Amendment Voh - Change the words ~~altercation~~ to disruption in title physical altercation

- 1) When tensions get high take a break and facilitator reset with moment of silence and prayer

* High tensions - When voices are raised, someone feels attacked, or makes verbal attacks toward someone (it gets personal)

- 2) If that doesn't fix the problem then the person be asked to leave till the next month and whatever motion, ~~the~~ ~~the~~ topic, ect. be tabled for discussion, or vote until the next month.

- 3) Any physical altercation call the police
* physical altercation - anything hands on

Refuse to leave call police

↓
* ~~2nd Amendment~~ ~~600~~ - ~~Exchange~~ take out the part where whatever motion topic, ect be tabled till the next month ~~be tabled~~ for discussion ~~while the following motion is~~ ~~tabled~~. Because certain issues are time sensitive and cannot be put off. If a groups representative acts out before the groups vote is cast then the group simply loses their voice.
